BULLETIN

RAY'S REMARKS:

I hope everyone is having a great week so far. The weather sure has been nice and you can generally tell that as you move around town because people seem happier and more upbeat.

It's hard to believe we are already in the last full week of February. However, so far this year has been a good one for the family at K.E. I can feel the spirit of Christ among us and see the joy and happiness amongst our brethren. Everyone seems to be visiting a lot, laughing a lot and enjoying our times together, when we come for worship or different activities. Attendance has been up a little for worship and even at other activities we are generally seeing more involvement and participation. Beloved, let's keep up the great work and maintain this beautiful Christian spirit throughout this entire year. Furthermore, let's continue to work individually and collectively to let others know just how much we loved them; even those we are trying to bring to Christ. We are truly blessed to be a part of God's Wondrous Family. I thank my God for each and every one of you!

I might also say that I am thankful for the many who are taking advantage of the Agape Grams. We have had to print over 1000 since the first of the year and this shows that we are communicating well amongst one another. What greater way to show our love, care and concern for one another; both in good times and bad. As the beautiful old song says, "let the beauty of Jesus be seen in you!"

Let's also continue to show that love and care for those with special needs. Especially this week we need to remember sister Pat and Freda in their tests. Let's pray that God will care for these dear sisters and that their results will be good and that their problems will be manageable. Prayer is Powerful!

Well, let me encourage you to have a good and profitable weekend as a child of God and in His service. Won't you give your Creator the very best as we assemble this Lord's Day. Why not encourage someone else to join us as we gather to worship God? I look forward to seeing all of you in Worship. May God continue to bless us all as we obey all that He commands! See you Sunday.

Elder's Corner:

Our heart felt sympathy is extended to the Livingstone family and the Sanders family over the loss of their loved ones. As many, if not all, of us have lost loved ones and we can empathize with our fellow Christians during their time of grief. Remember them in your prayers.

At our elders/deacons/men's meeting this past Sunday, a change in the time of our Sunday night service was proposed. All agreed that it would be good to have our evening service at 5:00 instead of 6:00. Unless we hear from you concerning this matter, we will begin our Sunday evening service at 5:00 p.m. on March 4th, 2011. The major reason for the shift in time is to allow our senior citizens an opportunity to attend the evening services while there is daylight. Also, it just seemed to be a better time to have the service in the minds of all who were present.

We appreciate our young people and the good example they are to one another as well as to us all. On Wednesday night, Brent Green is conducting a class for the college age. We want to thank Brent for his willingness to take on this great responsibility.

Hope to see you all at all of our services. It is a measure of our dedication to the cause of Christ unless there is a reason we can no longer attend. May God richly bless you!
